

Bookmobile Schedule Winter 2020/21

Hello, Behind the masks and face shields are the same people that you have known before. We are simply following guidelines for preventing the spread of the COVID-19 virus.

Please note all of the following are to help prevent the spread of germs.

***If you are not feeling well, please do not come to the bookmobile. We will be glad to renew your items until the next stop.**

*Please limit the amount of people coming to the bookmobile.

*Please maintain 6ft distance from others when near the bookmobile.

*We are accepting return books. We will have boxes outside the bus to put them in.

*If you requested items ahead, they will be bagged, checked out and waiting for you to pick up.

Unfortunately there is no browsing on the bookmobile until the social distancing order is lifted. Please bring us a list of what you wish to have for the next stop. Or you can call us and **leave a message** 2 weeks ahead of your stop (740-502-0444).

Please tell us the full name on the card with your stop. The library card number would be helpful as well.

Requests could include author, title, series or general requests for example 10 picture books, I like the author Kingsbury, tractors , animals, or specific titles. This will help us to gather books and have them ready for you to pick up. If specific requests are not available we can order it from another library. It may take longer than two weeks.

*If you have not called ahead - **if we have time** we will be glad to pull carts to the door for you to browse while standing outside of the door.

*If you call the Coshocton Public Library for holds, please let them know you want them delivered on the bookmobile.

Thank you for your patience and please let us know what we can get for you.

Make sure we have your correct phone number so that we can add it to our call list in the event anything changes.

Coshocton Public Library Bookmobile
