

INDEX of FAMILY HISTORIES IN HISTORY ROOM COSHOCTON PUBLIC LIBRARY

PLEASE NOTE: THERE ARE NUMEROUS SMALL FAMILY HISTORIES AVAILABLE IN ARCHIVAL BOXES LOCATED IN THE LOCAL HISTORY ROOM

An Index displaying collateral families is attached to this index.

KEY:

- *Collateral families:*
 - *Surnames marked in bold, give collateral family reference, histories may be located under alternative surname*
 - *Collateral families are indented in list*
- *Surnames listed inside brackets give alternative spellings*

RESEARCH ADVICE:

1. First check to see if there is a Family History for your family by checking the INDEX of FAMILY HISTORIES
2. Second check to see if your family is listed as a collateral family in one of the Principal Family Histories by checking the INDEX of COLLATERAL FAMILIES. This is indexed alphabetically by collateral family. The INDEX of COLLATERAL FAMILIES is located at the back of this file.
3. Then check the archival boxes located in the boxes on the window shelf. Short histories and genealogies (such as photocopies of family Bibles). An index of each box can be found inside the flip top.
