More than 700 programs, events and activities are held throughout the year at the Library, with 100% of the funding provided by the Friends of the Coshocton Public Library. Through membership dues, the Books Galore Book Store, and an annual book sale each August, the Friends raise funds to support the advancement of literacy in our community through library programming. Due to the pandemic, the Book Store has been closed since March, and the annual book sale could not be held. We greatly appreciate the support of members in allowing library programs and activities to continue during these challenging times. We are looking forward to reopening the Book Store as soon as things have returned to normal. For those of you who have joined us in the library's cause, thank you for your past support. It is time to renew your membership. Membership dues begin at \$15 for students and seniors over the age of 55. The membership year is a calendar year (January 1 - December 31). Just take a moment to complete the application below and return it with your check to the address indicated.
